One day a famous general, Xiao Lu, came to the city. The King wanted to thank him for winning so many battles. He wanted to give him a medal. Of course, when Xiao Lu came, the King didn't want Mai Chi to meet the soldier, so he shut her in her room. When the King saw that Xiao Lu was younger and more handsome than any other general in his army, the King thought, 'I was right to lock up my daughter. I don't want her to fall in love with this man. I want her to marry a prince. Xiao Lu is just a soldier.'

But Xiao Lu knew from the people of the city that the King had a beautiful daughter. So, that night, he searched the castle until he found her room. Very quietly, he went in and woke her up.
